FIELD REPORTING / PREPARING TO LAUNCH

# Clear job updates from the field.

Field Reporting gives your crew a place to send job updates and gives you a place to review them. Keep the work information together and easier to follow up on.

## A simple way to keep the office in the loop

**1 Set up your company**

The employer manages the account.

**2 Add your crew**

Provide access as your team grows.

**3 Send and review updates**

Employees submit reports; the employer reviews them.

### STRAIGHTFORWARD MONTHLY PRICING

**$20** per company / month

Includes employer account + one employee place.

**+$10** per month for each extra employee place

**3 employees: $40/month**

Employer pays for the team.
Employees pay nothing.

Before applicable taxes.

## Interested in launch access?

Contact accounts@dilinathtech.com to ask about Field Reporting.

**PRELAUNCH**

Signups and purchases are not open. Contacting us is an inquiry only; it does not create an account or subscription.
